# It Will Pay You to Wait

The Frances Shop 117 South Michigan St. Correct Apparel for Women

# The Unusual Why?

WHY the seemingly late opening of SOUTH BEND'S NEW SHOP FOR WOMEN?

BECAUSE-In making our purchases for the opening of the NEW shop, we took into consideration the unsettled styles of women's apparel in the New York market, brought about by one of the longest strikes in the history of the women's garment industry.

Therefore, we deferred our purchases until labor conditions in the garment trade were again normal and were able to secure the right kind of merchandise.

We will endeavor to procure for you ALWAYS the RIGHT MERCHAN-DISE at the RIGHT PRICES.
